SOGGY DOLLAR's dam is a genetic full-sister to the longest Total Horn longhorn cow, M Arrow Cha-Ching. WS Hydro as sire needs no introduction. The result is one of LM's biggest horned heifers from our 2020 calf crop. She does have a bit of a wry nose (not present in her new bull calf). She doesn't make the LM cut, but could be a great producer in the right herd. She has all the genetics a breeder could ask for. Take a look.
