LM LEGEND OF THE FALL is a big-horned roan heifer bred by Dale Hunt with legendary maternal lines like BL MONIKA 645, D/O MISS GRANDE, and ECR TRUE TO TRADITION. We have her exposed to our up and coming HORSESHOE J JOURNEY bull, EXCURSION, for what promises to be a keeper calf regardless of sex. We have to make room for more, so here's one worth taking a shot on. You can't get hurt falling out of the 1st floor window.
