A personal favorite at LM. In addition to Club 90, Tari's TD has ~200" of combined TTT and TH, her coat is as shiny as a thoroughbred horse. She has productivity, perfect udder, a packed pedigree, and a sweet disposition.

**Total Horn:** 107.3750 on 10/12/2017  
**TTT:** 97.6250 on 04/25/2025
